- All meetings will be held at Chilvers Coton Conservative Club, Bridge Street, Coton, and will start at 8:00pm. The room is available from 7:30pm
- Minutes will be taken at the AGM and the open Committee meetings. . All Minutes will normally be available on the Branch website.
- The schedule of meetings takes due account of TRBL Management Handbook, December 2013 Ref: 4.1.1. Branch Administration 1.13 and 1.14
- Committee Meetings are held bi-monthly, and have a focus, as specified in the Management Handbook. These are to inform our Three Year Plan.
- In addition to the AGM, there will be six Open Committee meetings.
- Our aim is provide a means of informing members directly of Legion activity at National, County and Branch level and to recruit members to the Committee. Members will be able to contribute, comment and express their opinion before a vote is taken, but will not be able to propose or vote. This is because Committee Members are acting as Trustees of TRBL. Branch members will need to be excluded if any confidential matters have to be considered by the Committee.
- Membership meetings are intended to be informal gatherings, supporting the Fourth Pillar of TRBL. These meetings provide opportunities for socialisation, seeking volunteers and discussing matters that should not appear on an RBL agenda, eg Social events.
- The move of the AGM from November to October provides more time for the completion of MS1. It also allows for the required Committee Meeting before the AGM.
