SHAFTESBURY & DISTRICT BRANCH

HALL BOOKINGS

The Legion Hall is available for hire and we welcome both clubs and groups on a regular basis and friends/families for social gatherings.

The hall was built in 1994 to a modern standard to serve the community, and has recently undergone complete refurbishment. It seats up to 60 people and has a fully equipped kitchen, and disabled access. We have our own car park and are within easy walking distance from the town centre.

Potential users are always welcome at our coffee mornings on Thursdays between 10.00 am and Noon when a committee member will show you round.

Otherwise, please phone the Hall Bookings Officer on 01747 850082 for any enquiry about a booking for a particular date or regular slot.
