Poppy collectors are the face of poppy appeal. The Poppy boxes need filling, people to knock on doors and the administration. The 29th October it all kicks off. Can you spare 60 min over that 2 weeks to help? Remember. You may benefit from the money raised one day. If you can help you know what to do.

Branch Support

Sadly, June Fowler died recently at the age of 61. She was a member for approx 5yrs. The branch attended Bury St Edmunds crematorium to pay our respects. Thank you for those who attended.

It's been a milestone year for the branch in recent weeks. Not only have we held the Annual Suffolk County Rally for the first time in our 70year history, we also became officially affiliated with Haughley Pre School And Haughley Youth Football club. The affiliation took place on the 16th July at the football club where we held a celebration with a BBQ and bouncy castle provided by the branch. There were children's races in the afternoon which was brilliant fun and also a few adult races which was hilarious! There was a good crowd from all organisations who have committed to help each others aims in the future. After the ceremony there was an opportunity for people to mix and relax to get to know each other. So with the scouts, football club and pre school affiliated with us this will ensure the lives of the men from Haughley won't be forgotten who laid down their lives. There's a video on the website. If you don't have the Internet don't worry I'll organise for it to be viewed at a meeting!

BBQ and Quiz

After this quiz you'll be saying 'did you know'? After everything you learnt! Everybody had a really lovely evening with lots of laughter and fun. The champions for this year go to team Bernie and Jock! Well done you knowledgeable lot! £270 raised!

Dates for your diary

The branch **AGM** will take place on the 13th October 2016. All positions are available so if your interested ensure the secretary has your nomination no later than the 30th September.
