Newent Runners have made a very generous donation of £500 to the Royal British Legion's GP 90 fund. As previously mentioned here the GP 90 fund was set up to help members of the local British Legion to take part in the Royal British Legion's biggest event in its history, namely a tour of the WW1 battlefields and cemeteries in order to mark 90 years since the original Great Pilgrimage of 1928.

Newent Runners spokesman Jonathan Miles said: "We recognise the importance of this event to our local British Legion Branch and are honoured to be able to make this donation."
