

100th LUNCH FOR SEDGEFORD BRANCH

BLAKENEY HOTEL – DECEMBER 2015

Twenty-three of us, which included four visitors, enjoyed our December lunch at the Blakeney Hotel, where we were looked after magnificently, in beautiful surroundings. One of our visitors was the County Chairman-in-waiting, John Boisson of Fakenham branch, with his wife Diane, on the first of what he intends to be a visit to every Norfolk branch during his tenure. We do hope to see them at more Sedgeford branch lunches in the future.

During the lunch, your editor, social secretary, etc. was presented with a glorious bouquet by Angela Blenkinsop, in recognition of her organisation of 100 lunches (and still counting!)
