

## VE & VJ Day Commemorative Peace Tree

On the 24 November 2020 several members of the branch turned up at Newent Lake to start the process of planting the Commemorative Peace Tree.

The Peace Tree was cultivated by Barrie Wellington who sold the tree to the Branch at a fraction of its full price, for which we are extremely grateful. Thanks also go to Newent Town Council for sourcing a suitable site and equipping the tree with protective guard a stake and a stone for the plaque to sit on.

A suitable service of dedication/remembrance will be arranged as soon as is able after the eradication of the pandemic.
