

Newent and District Branch - Civic Service

The Chairman his wife and Standard, were invited to attend a Civic Service held in St Mary's Church, Newent on Sunday 18 April 2021, to celebrate the life of His Royal Highness The Duke of Edinburgh. Due to current restrictions the service was limited to only 30 invited guests including the Mayor and Deputy Mayor of Newent. However, the service was beamed live on both St Mary's you tube channel and as a live stream on Zoom where many more people were able to enjoy the service given by St Mary's Rector and Branch Padre Simon Mason.

The photographs show Graham Barton parading with the Branch Standard outside St Mary's.
