

VE and VJ Day 75th Anniversary Peace Tree in Newent

The Newent and District Branch of The Royal British Legion in Partnership with Newent Town Council planted a Peace tree by Newent Lake to commemorate VE Day and VJ Day 75th Anniversary.

Due to the on-going pandemic, they were unable to hold the planned commemoration service. However, 2 small, socially distanced outdoor events did take place. Once the pandemic has subsided and Government Restrictions allow our Branch Padre will be conducting a service and blessing to mark the planting of this tree.
