

## Introduction

The Membership Learning & Development team are pleased to invite you to nominate one of our members a Training Award, which will be presented at this year's annual conference.

This award is relatively new and was first awarded in 2023. For this year we would like you to nominate a member who has significantly impacted their members and their branch and/or county (district) by providing a positive in any of the following ways:

- **Creating a culture of learning**
  - They have built a positive environment in which members are encouraged to learn new skills
- **Build a learning infrastructure**
  - They have engaged with changes and developments within learning at RBL
- **Responded flexibly to learning needs**
  - They have supported members with their learning and responded to needs as they arose
- **Supported counties and branches**
  - Generally supported members with their learning needs to enable to them to become a strong and successful branch.
